How well do you know Cursillo? Some of us have been in Cursillo a long time, while others are just starting on their journey. Every now and then we need to rediscover this beautiful movement and strengthen our prayer life. Are we facilitating the love of God, friendship with others, and influencing the world through our environments? Come find out how our Group Reunions, Ultreyas, and School of Leaders help strengthen our movement and the environment that surrounds us.

This exciting and engaging workshop will lead us through a journey of rediscovering Cursillo and enhancing your personal relationship with Christ! Won't you please join us?

This workshop will be led by the Region 2 Service Team and Cef Aguillón, the National English Coordinator!

REDISCOVER CURSILLO and get REJUVENATED!
